Certificate of Compliance

This certificate is issued as confirmation that the products comply with the ISO 9001 Quality System requirements.

100% of the parts have been tested and found to comply with the respective u-blox product specification (Data Sheet).

The Production Test includes the following:

1. Automatic optical inspection
2. Automatic X-ray inspection
3. Functional test at room temperature

For all commodities, technology or software previously exported from the United States, this was done in accordance with the Export Administration Regulations. Diversion of these items contrary to U.S. law or any other applicable country's law is prohibited. The Montreal or Warsaw Convention may apply and will govern and in most cases limit the liability of Federal Express for loss or delay of or damage to your shipment. Subject to the conditions of the contract on the reverse.
