Flowserve's non-US subsidiaries have completed a phased-withdrawal from conducting any business in the **Iran and Syria** markets, effective from the 31st December 2011. Consequently, you are not permitted to re-export any Flowserve products for end-use in **Iran, North Korea or Syria** without express written permission from Flowserve.

It is your obligation to comply with all applicable national and international export, re-export, and/or economic sanctions laws and regulations and to obtain necessary government approval prior to the export and/or re-export of Flowserve products and/or technology. Please be aware that diversion of Flowserve products is strictly prohibited. Failure to comply with all applicable export, re-export and/or economic sanctions laws and regulations may result in serious
