For all commodities, technology or software previously exported from the United States, this was done in accordance with the Export Administration Regulations. The export of this technology or software is prohibited by applicable U.S. law. The Montreal or Warsaw Convention may apply and will govern and in most cases limit the liability of Federal Express for loss or delay of or damage to your shipment. Subject to the conditions of the contract on the reverse.

FEDEX AWB COPY - PLEASE PLACE IN POUCH

Nach dem Drucken dieses Etiketts:
1. Falten Sie die ausgedruckte Seite entlang der horizontalen Linie.
2. Bitte legen Sie das Etikett in die Versandtasche und befestigen Sie diese an Ihrem Versandstück.

Flowserve's non-US subsidiaries have completed a phased-withdrawal from conducting any business in the Iran and Syria markets, effective from the 31st December 2011. Consequently, you are not permitted to re-export any Flowserve products for end-use in Iran, North Korea or Syria without express written permission from Flowserve.

It is your obligation to comply with all applicable national and international export, re-export, and/or economic sanctions laws and regulations and to obtain necessary government approval prior to the export and/or re-export of Flowserve products and/or technology. Please be aware that diversion of Flowserve products is strictly prohibited. Failure to comply with all applicable export, re-export and/or economic sanctions laws and regulations may result in serious
